FLIP PAGE HOW TO HOT POT

Kitchen & buffet closes 45 minutes before closing times

All you can eat buffet restaurant in Edinburgh

STEP I

Select a Broth (Full Pot or Divided Pot)
Our Popular Hot Pot Broths Include:

- Nourishing Marrow Chicken Broth
- Spicy Marrow Chicken Broth
- Rich Tomato Broth
- Spicy Sour Pickled Cabbage Broth

STEP II

Select ingredients and dipping sauces which are included in the menu.

STEP III

Wait for the Broth to simmer(boil) before you begin cooking your ingredients.
Add your ingredients to the Broth gradually rather than dumping everything in at once.
Each of the ingredients at your table should be eaten piece by piece, though it is fine to cook sliced vegetables and meat at the same time.

STEP IV

Cooking noodles will thicken your broth and enhance the flavour, therefore we suggest cooking the noodles last so you can enjoy the noodles with broth at the end for the best dining experience.
